

The Collection 2016/17

Hand crafted Dutch clay pavers

BAKSTEEN[®]
CLAY BRICKS AND PAVERS

Ash

Baksteen Clay Pavers

Crimson

Chestnut

Dove

Available in range of colours and surface finishes, Baksteen clay pavers are tumbled to reveal a weathered and antiqued appearance. When laid on edge, on a suitably designed bedding and sub-base, these pavers will withstand heavy vehicular traffic. Alternatively, they can be laid on bed and are suitable for pedestrian, pathways, garden borders and light vehicular traffic.

Please note that product sizes, weights and coverage stated are nominal.

Smoke

Ash

Mulberry

Silver Birch

Mallow

Honeycomb

Smoke

Single Size Packs		Thickness (mm)	Average nominal weight per pack (kg)	Nominal coverage m ² per pack	Number of pieces per pack	Coverage pieces per m ²
